Your OVO contract.

Hello Team Benzaiten,

Here's a copy of your OVO contract

The next page shows everything we agreed about your energy, so please keep it safe.

Impartial advice

It's easy to get free, independent advice so that you know your rights as an energy consumer. You might want to get a better deal, find out how to make a complaint, get advice about the quality of your electricity or gas supply, or ask for help if you're struggling to pay your bills. To **know your rights** visit www.citizensadvice.org.uk/energy for up to date information or contact the Citizens Advice consumer service on 03454 04 05 06. You can also call us to get a copy of the leaflet posted.

Something not right?

Customer service really matters to us. If you're disappointed, we want to put things right the first time you contact us. Here's our complaints process:

- We'll aim to solve your complaint in 5 working days.
 - If it's more complex, within 8 weeks.
 - After 8 weeks, or if you're not happy with our response you can go to the energy Ombudsman.
- You can find our detailed process here: <https://www.ovoenergy.com/help/feedback>.

Your plan overview

Legal agreement - please check carefully

If any details are incorrect, please contact us within seven working days.

If you change your mind

If you're on one of our fixed rate plans and your plan started after 26th June 2016, we'll charge you £30 for each fuel if you leave after your 14-day cooling-off period. If you signed up before 26th June 2016 or you're on Simpler (our variable rate plan), you can leave at any time without exit fees.

Contacting your local network

If your power goes down, or you have to move your meter or upgrade your supply, you will need to contact your Local Network Operator. To get through to the correct network operator for your area, call 105 free of charge. For more info, visit <https://www.ovoenergy.com/guides/energy-guides/dno.html>

Emergencies

If you smell gas or think you have a leak:

- Open all doors and windows to let the gas escape
- Don't turn light switches on or off, use doorbells, mobile phones or naked flames
- Check your gas appliances are switched off
- Call the 24-hour national Gas Emergency Hotline on 0800 111 999
- If you're worried that carbon monoxide fumes are escaping from your gas appliance, or if you have issues with your meter, call the 24-hour national Gas Emergency Hotline
